Dear Examiner Pan:

You will recall that we discussed the above application during a telephone interview on Tuesday, July 13. At that time, we discussed the common meaning of the term "universal joint" as the term is defined in the mechanical arts. We agreed that the following proposed claim amendments would further clarify the meaning of this term in view of the applied references.

Please consider the proposed amendments in accordance with our agreement of July 13. I look forward to hearing from you.
